Significant Events:

Remarks: **Currently do not have an estimate for Block 46.**

Planned Actions: **1. Monitor and patrol the fire area to determine the fire's current and predicted spread in anticipation of triggering pre-determined Management Action Points. The end state of this action is to ensure enough advance notice to implement the appropriate management strategy.**

2. Implement protection plans that were developed based upon completed "Values at Risk" assessment as necessary.

3. Utilize air resources as needed to keep in check any spotfires west of road 496.
